Here are some reviews from people after watching the movie, *WonderWoman*. Read the reviews and answer the questions.

Emily	I enjoyed the movie a lot. The actress, Gal Gadot, brings <i>Wonder Woman</i> to life, and this movie is a surprise box-office hit. If you have time, you should go and check it out.
Frank	Though the movie is interesting, it is a little different from the comics. I like the comics better.
Peter	I am not a big fan of the comics. But I do like this movie! Gal Gadot <u>rocks</u> as <i>Wonder Woman</i> ! There aren't many good roles for women to play in the modern movies. Most movie roles for actresses today are either broken-hearted girls or common housewives whose husbands don't treat them well. But this movie is funny and exciting.
Alice	I didn't know about Gal Gadot until she played <i>Wonder Woman</i> . The newspaper says being a mother of two daughters, Gal Gadot keeps things low-key in her everyday life. It's not an easy job for a famous actress like her. She is excellent in the movie, too. Now I am her biggest fan. low-key 低調
Leo	I think Gal Gadot needs to work out more for the movie. She looks too thin and weak. To get into the top <i>Wonder Woman</i> shape, there is still a long way for her to go.
Nancy	After watching the movie, I think she is a lot more than just a pretty face. Now, everyone in my office is talking about Gal Gadot. I can't wait to see her next movie.
