【背面尚有試題】

(A)

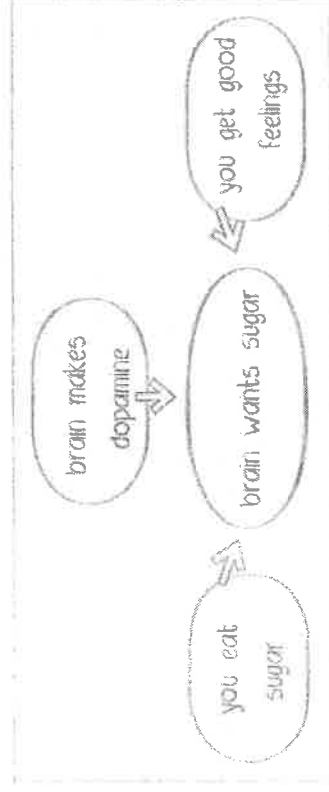

(B)

(C)

(D)

Because of the outbreak of coronavirus across the world, Japan's Prime Minister Shinzo Abe and the International Olympics Committee (IOC) decided to postpone the Olympics until 2021. The Olympics was originally planned to be held from July 24 to August 9, 2020.

The decision was also supported by the USA, Germany, and Poland. In the earlier time, Australia and Canada were the first two countries to choose not to send athletes to Tokyo. Athletes have been unable to continue training as training facilities are closed.

It is said the decision to put off the Olympics Games was the best choice to make. Besides, to stop the spread of the coronavirus, people were told to stay home and wear masks outdoors. Restaurants, shops and airlines have been closed or

cancelled.

outbreak 爆發 coronavirus 冠狀病毒 postpone 延期
originally 起初 athlete 運動員 facility 設施
spread 散布 cancelled 取消

44. According to the article, which is true?

- A) Japan will host the Olympics in 2020.
- B) Canada and Australia had decided not to join the Olympics.
- C) The Olympics were postponed to 2020.
- D) The Olympics are going to be held as planned.

45. How has the coronavirus affected people?

- A) Athletes cannot continue training.
- B) Students stop learning.
- C) People can't buy food or drinks.
- D) Restaurants and shops are open to customers as usual.
