#### 四. 閱讀測驗

(第一篇) Everybody loves chocolate, but people often feel guilt when they eat it. They think chocolate is a delicious junk food that contains lots of fat and sugar. Luckily, there's no need to feel guilt anymore. Chocolate can be good for our health if you eat dark chocolate without too much added sugar.

Dark chocolate contains less added sugar and milk. Researchers found out that dark chocolate is good for the heart and blood pressure. Small but regular amounts of dark chocolate can prevent heart attacks. Also, dark chocolate is a great way to stop a bad cough when you have a cold. Doctors, however, warn that people should try to eat the "good dark chocolate, or they might gain weight easily by eating too much sugar and fat.

contain 包含	researcher 研究者	regular 規律的
cough 咳嗽	warn 警告	gain 增加

44. What's the main idea of the article ?

46. What does prevent mean ?

(A) get (B) stop (C) gain (D) scare

(第二篇) Jeremy is talking to his friend, Kate, who is reading some news on the computer.

Jeremy : Why do you look so excited ? Something new ?

Kate : Yes. Look at this news about Amazon Go.

Jeremy : Not again. When there are sales online, you always buy what you don't need.

Kate : You've got it all wrong! The news I'm reading is about Amazon Go, not about Amazon, the largest retailer on the Net.

Jeremy : Amazon Go ? What's that ?

Kate : It's a real store without checkouts.

Jeremy : You mean people don't need to wait in long lines to pay for what they got after they go shopping ?

Kate : That's right !

Jeremy : You must be kidding. That sounds too good to be true

Kate : Of course you still have to pay later.

Jeremy : What do you need to get started ?

Kate : All you need is a smartphone with Amazon Go app.

Simply use the Amazon Go app to enter the store and put away your cellphone. Then start shopping !

Jeremy : That's all ?

Kate : Yes. You can take anything you want, and anything you pick will appear in your virtual basket. After you've done shopping, just leave the store.

Jeremy : What if I change my mind ?

Kate : Just put it back. It won't be in your virtual basket anymore.

Jeremy : How does it work ?

Kate : They use computers called Just Walk Out to monitor what you get. Once you've got everything you want, you can just go. When you leave, your bill is sent to the app by Just Walk Out.

Jeremy : Sounds great, but I think it is really bad news for some people.

Kate : I know what you mean. With it, some will lose their jobs.

retailer 零售商	virtual 虛擬的	monitor 監控	bill 帳單
--------------	-------------	------------	---------

47. What is the conversation (會話) about ?

(A) A big sale online.
