# Hi there,

First of all, thanks for turning my favorite comic strip, Power Dog, into a game app. I've always been a big fan of Power Dog. I can't put into words how happy I was when I heard there's a game of it.

However, I got some problems when I was playing Power Dog on my cellphone. First, are there any other ways to buy doggie coins besides paying with credit cards? I am only a teenager and I don't have a credit card, but everything I want to buy in the game needs to be paid with doggie coins. Second, I can't continue with the game. Every time I throw a lid at the bad man, I am kicked out of the game. Could you please fix the problem? And last, Power Dog is good to play, but I think it'll be more interesting if I can play it on a larger screen. But for now, Power Dog can't be played on tablet computers. I'd like to know if it'll be available for tablet computer users in the future.
